Dear Tom:

It was a pleasure to have the opportunity to meet you and Derek Molhan. Many thanks to you for contributing the proceeds from Powerfest 2002 to the Rhode Island Remembers September 11<sup>th</sup> Fund which will pave the way for a permanent State House memorial to pay tribute to those who lost their lives on September 11<sup>th</sup>. Your hard work will enable us to reach our fundraising goal of \$50,000.

Once again, Tom, I'd like to express my gratitude to you for your generosity. I send along my warmest regards to you and wish you all the best in your future endeavors.

Sincerely,

  
Lincoln Almond
