To Whom It May Concern:

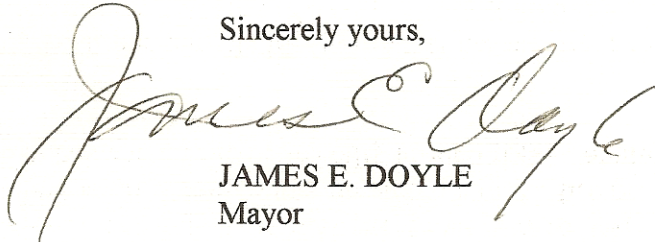

I have found myself saying lately that I have never been so proud to be Mayor of the City of Pawtucket and a resident of the State of Rhode Island as I am right now. The reason for that has been the tremendous outpouring of support and generosity for the residents near the Greenhalgh Mill who lost their homes and belongings in the fire on November 14, 2003. The way this city has come together to rally around these people is truly amazing.

Leading the way in this effort, are organizations like yours that are making a real difference in the lives of these people. I cannot imagine what it must feel like to lose your home and all the possessions you have acquired over a lifetime. Your generosity in helping these people by sponsoring the wrestling exhibition at St. Raphael's Academy as a fundraiser to assist the victims of the fire is most appreciated. Everything donated to your event will help these people with the process of rebuilding their lives. Though this rebuilding will go on for some time, the support from you will be a lasting reminder of the kindness and generosity of the Pawtucket and Rhode Island community.

I know that they appreciate it as do I, and on their behalf, let me say **THANK YOU!**

My best wishes for a Happy, Healthy and Prosperous New Year!

Sincerely yours,

JAMES E. DOYLE
Mayor
