This letter confirms receipt of your gift of \$681.00 on May 20, 2003, which will be treated as an addition to income for The Doc Fund within The Rhode Island Community Foundation. We thank you for your generous donation.

We thank you for contributing to this fund, which we hope will provide a measure of comfort and support over the years ahead to the individuals and families affected by the tragedy. IRS regulations require us to note that The Rhode Island Community Foundation has not provided any goods or services to you in exchange for this contribution.

For your information, this gift may be recognized in a future Foundation publication. If so, it will be attributed to Power League Wrestling. If you would prefer this contribution to be anonymous or would like it attributed differently, please let me know.

On behalf of the Board of Directors of The Rhode Island Foundation, I thank you for your generosity and thoughtfulness.

Sincerely yours,

Carol Golden  
Senior Vice President for Development
